Re: National Men's Team Coach and National Men's Team Manager

Dear Handball Friends,

The Board of the Irish Olympic Handball Association is seeking applications for the positions of National Men's Team Coach and National Men's Team Manager.

It is an exciting time to be involved with the National Men's team with the announcement in September by the International Handball Federation of their intention to organise a tournament in 2015 for up to 16 teams from emerging handball federations in Europe. This was followed by the news that from 2020 the European Championships will be expanded to 24 teams, this decision was taken at the EHF Congress in Dublin.

The closing date for receipt of applications is Wednesday January 7th 2015 with the initial term being till the end of 2015 with the option of continuance for a further 2 years following a review in January 2016.

Both positions are on a voluntary based with vouched expenses, with the one stipulation that the National team Manager **must** reside in Ireland. The successful candidates will be expected to operate within the budget set out for the National Men's team and report to the High Performance Working group and the Board of the IOHA.

Further information can be obtained by emailing ioha@olympichandball.org
